What is the Song of the Waves ? INSCRIBED TO MISS CORDIE W. PAGE.

What is the song of the waves, As they dance in Elfin light, When stars above are gleaming On a soft, mid-summer night? Speak they of mermaid grottos, Far down in the coral sand,-Of fairy isles of beauty.

Away in the summer lands? What is the song of the waves, As they break on shelly shores, Or part their lips in kisses On the radiant diamond floors i Tell they of souls departed. Who live in the distant isles, Far o'er the ocean surges,

Full a thousand weary miles?

What is the song of the waves, As they press their foamy lips Upon the Moon's pale bosom. When at eve she calmly dips? They ask her of the beauty-Of the Stars that burn above, Reflecting oft their glory In the Ocean's arms of love. Frankfort, January 1, 1857.
